[illegible]

Technical drawing of a building facade section. The drawing shows a cross-section of a structure with various structural elements and dimensions. Key features include:

- Dimensions:**
 - Vertical dimensions: 5.00' (total height), 3.1' (height of the main section), and 2.8' (height of the upper section).
 - Horizontal dimensions: 1.65' (width of the upper section), 1.65' (width of the main section), and 1.65' (width of the lower section).
- Structural Elements:**
 - Columns:** Labeled with 'D' and 'D'' at the top and 'G' and 'G'' at the bottom. The columns are shown in cross-section at the base.
 - Beams:** Labeled with 'J' and 'J'' at the top and 'G' and 'G'' at the bottom. The beams are shown in cross-section at the base.
 - Foundation:** The base of the columns and beams is shown in cross-section, with labels 'G' and 'G'' indicating the ground level.
- Other Labels:**
 - 'D' and 'D'' are used to label the columns.
 - 'J' and 'J'' are used to label the beams.
 - 'G' and 'G'' are used to label the ground level.
 - '1.65'' is used to label the width of the sections.
 - '5.00'' is used to label the total height.
 - '3.1'' and '2.8'' are used to label the heights of the main and upper sections.

A 3D perspective rendering of a building's structural frame. It features a grid of columns and beams. The columns are represented by thick, grey, rectangular blocks at the base. The beams are dark grey or black. The structure is shown in a perspective view, highlighting its three-dimensional nature. A large, faint, stylized 'A' logo is visible in the background.
